What We're Offering

Two things, both designed to make stocking our matcha simple for you.

1 Retail Pouches at 50% Margin

Buy our ceremonial-grade matcha at wholesale and sell it at the recommended retail price. You keep half of every single sale.

- £11 wholesale · £22 retail price
- 50% margin · £11 profit per pouch
- Minimum order of just 10 units

2 A Free Matcha Shelf, Installed

We provide a dedicated retail display and cover the installation — matched to your space. All you have to do is keep it stocked.

- Retail shelf supplied free
- Installation costs fully covered
- Merchandising & restock support

Why Cafés Love Stocking Kyo's

1. An Authentic Japanese Brand

Kyo's is built around the culture, heritage and craft behind matcha — something your customers connect with and trust.

2. Matcha People Already Love

Our matcha is already a favourite in the cup, so it's an easy, natural thing for your regulars to take home.

3. A Small Team That Looks After You

We're a small, friendly company — we help with in-store bits, sampling and social content, and we're always just an email away.
